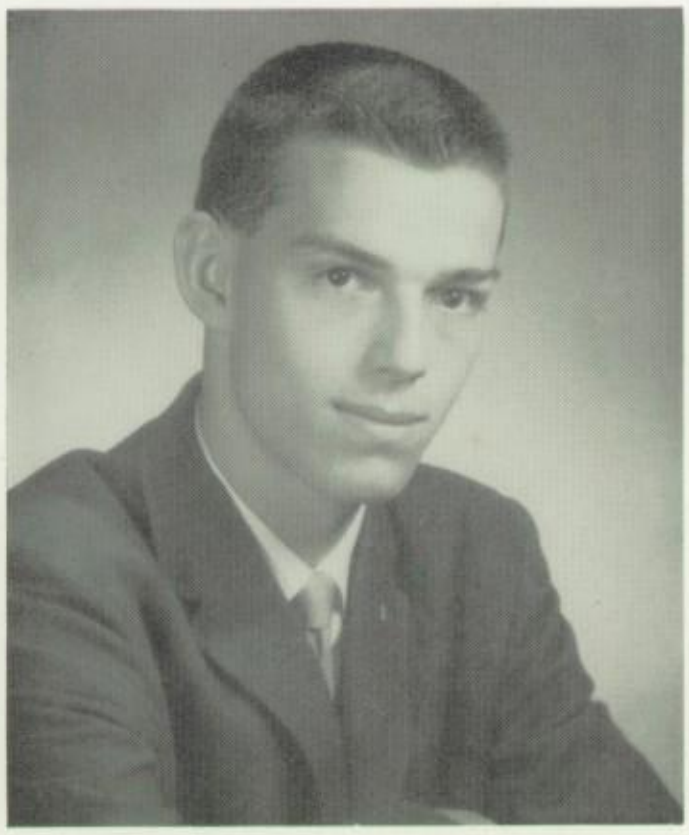
VOLUME 1
WOOSTER HIGH SCHOOL
WOOSTER, OHIO



A Letter From The Editor

To the Future Alumni of Wooster High School:

Tennyson once wrote, "The old order changeth, yielding place to the new, And God fulfills himself in many ways, lest one good custom should corrupt the world." So it is here at Wooster High School. You are holding the new order; the *Imperator* has succeeded the *General-Annual* as the official school yearbook.

When the Class of 1961 was just appearing in the world, the first *General-Annual* was published, superseding the *Observer* and setting many new traditions. Over the following years, improvements advanced the *General-Annual* to the pinnacle of perfection.

But a good climber never stands still, for there is always another mountain. We have started up a virgin peak with a new expedition, the *Imperator*. A major tragedy befell us beginning with the loss of our two able guides, Miss Nesbitt and Mr. Moore. Mr. Ladd, however, replaced them to point the way.

In choosing the path to follow, the staff decided on "Antics in Antiquity." By glancing through the book, you can readily see some of the "novel" ideas that we incorporated. To "play with the past," we drew material from old Wooster High yearbooks with odd names — *Observer, Tatler, The Annual.* I would like to thank the staffs of these books for their contributions to our theme.

To all those who helped me in any way on this book, I give you an inadequate "Thank You!" This work could not have been done without your assistance and ingenuity. A special "Thank You" I give to the staff heads, who attended many a weary meeting at many a weary hour. And from the entire staff, we wish Mr. Ladd our sincere best for a terrific job as adviser.

In closing, may I wish all the students of Wooster High School the most luck possible in the future. Your community, your education, your potential all contribute to offer you a beautiful horizon.

And to the graduates of the GLORIOUS CLASS OF 1961 — well, let's face it, we will never be matched. The name "Untouchables" truly fits the entire class, for the men who made the name were just a sample of the whole. In every field — athletics, dramatics, music, speech, publications, and, most important, academics, we are "untouchable." We set fantastic records that will never be broken. To you men and women of this class, this book is a great, yet inadequate, tribute. I heartily wish you the greatest possible happiness in the years to come, and hope that all your dreams come true.

Sincerely,

Bill Vodra

ROBERT MOORE

Robert Moore is one of the most highly respected citizens of Wooster. A teacher at Wooster High School for 31 years, he become well-known both in school and out. He has played a great part in the growth of this school academically and physically.

Zanesville, Ohio is the home of this man, being born and reared there. At Denison University, he earned his Bachelor's and Master's Degrees in science. Later, he went on to do further work at Ohio State University.

Mr. Moore began teaching in the late 1920's at Wooster High School. For a short period of time, he taught English, but his first love soon caught up with him. The field of history became his number one time-consumer. From past education, from personal experiences, from vast supplies of books, he drew material to make one of the finest history courses in the state. It is well-known that the quality of his teaching was of the highest caliber.

Beyond the scholastic contributions to the school, Mr. Moore lent his guiding hand to many difficult tasks. For a great number of years, he was adviser to the *General* newspaper; he aided National Honor Society immeasurably; and for twenty-five years, he acted as business manager and technical adviser for the *General-Annual*. Continually year after year he quite capably balanced the ledger of the yearbook so that there was an annual profit.

Regretfully for both the school and himself, Mr. Moore was forced to take a leave of absence last year because of illness. We are confident, though, that he will return to the classroom soon.

In both publications, the name of Mr. Moore is looked upon with the greatest respect. His outstanding contributions will not be forgotten by many. It is with all sincerity that we dedicate the 1961 *Imperator* to Mr. Moore.

LUCILE NESBITT

One of the best loved and most respected members of the faculty of Wooster High School is Miss Lucile Nesbitt. As a teacher, she has educated perhaps more pupils than any other single instructor in the school; as an adviser, she has not only guided the yearbook for over two decades, but also assisted in many other organizations; as an individual, she has befriended her share of comrades many times over, and has continued to increase that number.

Miss Nesbitt's history began in Ohio, as one of four daughters of a Presbyterian minister. After living several years in her birthplace of Frazeysburg, Ohio, she moved to New Castle, Pennsylvania. In 1920, the Nesbitt family came to Wooster, and has remained here ever since.

Graduated from high school in New Castle, Miss Nesbitt attended college "up on the hill" here in Wooster, where she received her Bachelor's Degree in English. From the College of Wooster, she went to Western Reserve University to obtain her Master's Degree. But our English teacher did not stop her education then, for she studied Latin at Akron, Ohio State and Columbia Universities.

Her teaching career began in 1924 right here at Wooster High School. In the succeeding years, she taught English on all levels, finally settling down to senior English.

One of Miss Nesbitt's interests has taken her to all ends of the earth. An avid traveler, she has ventured throughout the United States and Canada, and has spent a summer in Europe and the British Isles. Most recently, the tourist journeyed around the world with two other Wooster teachers.

In addition to her teaching and traveling, she served on the advisory committee of National Honor Society, providing great influence there.

But most importantly, she was advisor to the Annual for 22 years. In that time, she developed a truly remarkable book — the *General-Annual*. After so many years of outstanding books, she retired from the staff last year, 1960. Because of her tremendous work and effort on *General-Annuals,* we chose this year to change the name and give the era of that book solely to her and Mr. Moore.

It is in appreciation for all she has done for the *Annual* and for Wooster High School itself that we dedicate this volume of the *Imperator* to Miss Nesbitt.

A Message From The Superintendent of Wooster City School System

MR. RASSMUSSEN

To the Class of 1961:

Our democratic way of life demands educated, self-disciplined, and well-informed citizens for its continued existence. As you pass through these doors for the last time, it is our hope that you will find yourselves adequately prepared for the life that awaits you. It is also our hope that this future life will be a happy useful one, contributing to the greater good of our society. Those of you who are capable of positive leadership, exercise your talents. Those of you who will assume the follower role, examine carefully the ideas, principles, and men whom you will follow.

Education is a continuing process, beginning with your first breath and lasting throughout life. The fact that you have received your high school diploma does not mean that you are through learning. Take advantage of all avenues open to you to make this continued learning process a better on. Learn a trade, go to college, attend adult education classes, read, think, and best of all act! Act in such a manner that your nation will be the benefactors of the knowledge and skill that you have assimilated here in the last four years.

Best Wishes,

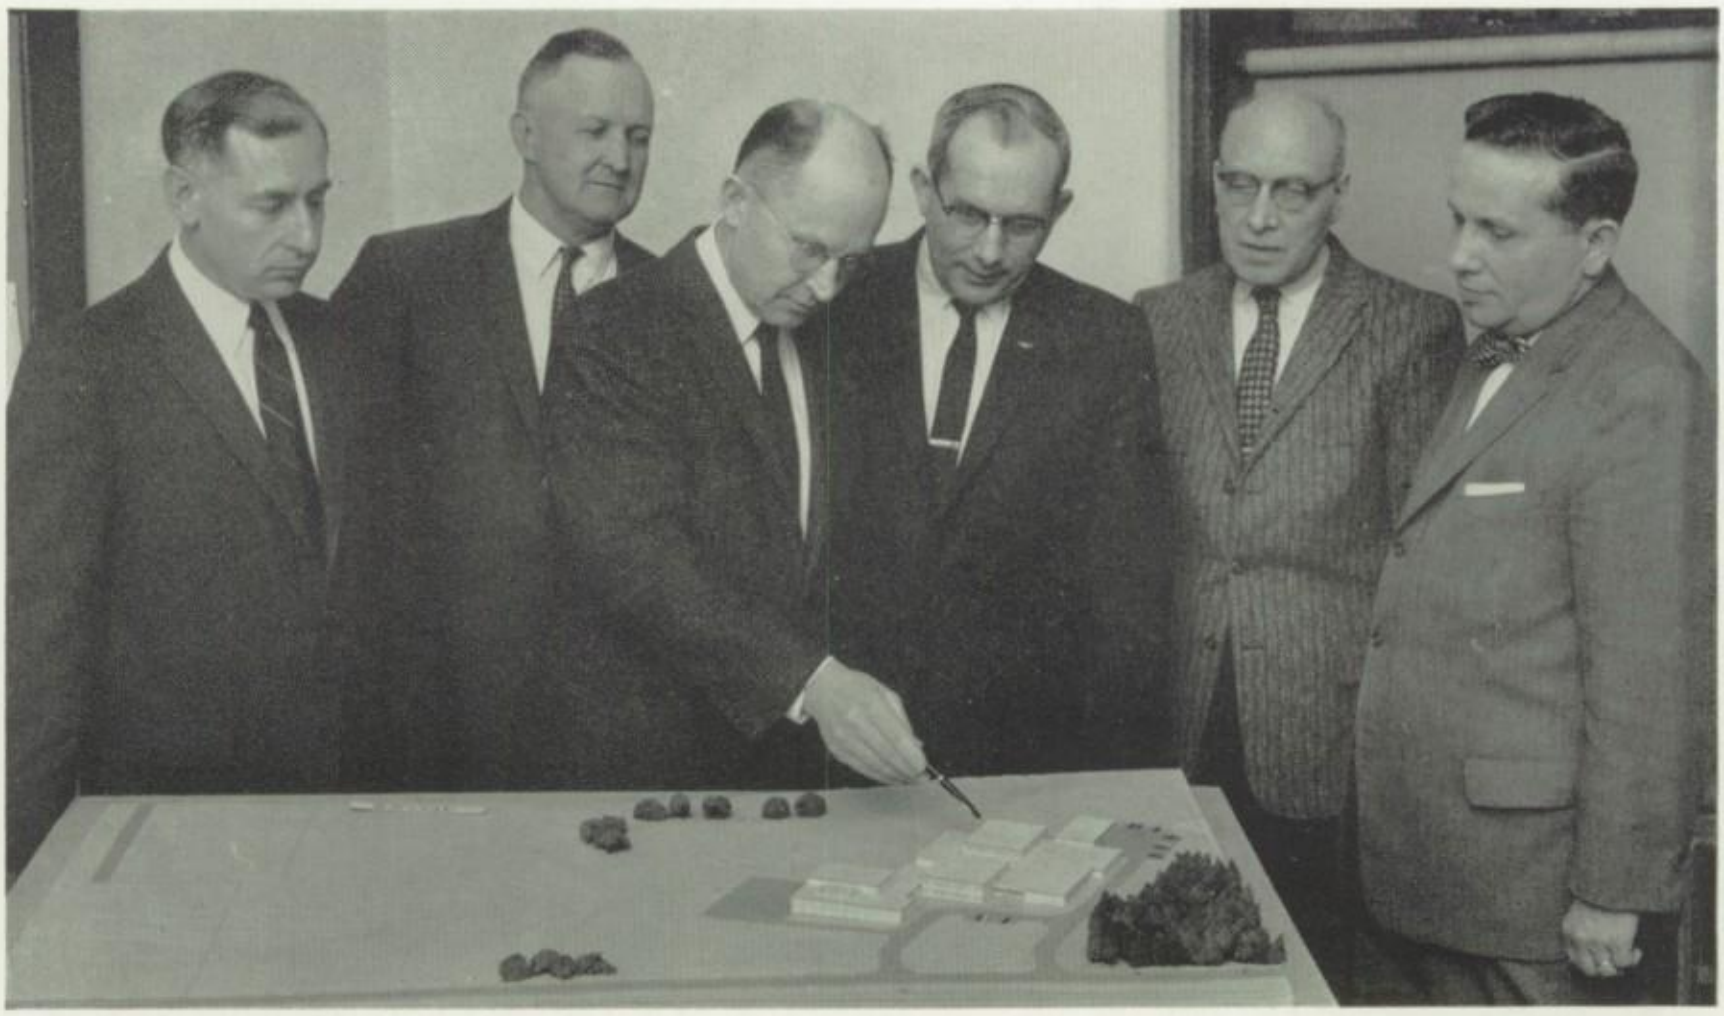
L. V. Rasmussen,

Superintendent of Schools

The Principal

MR. SAYRE

Mr. Roland Sayre is perhaps the busiest individual in Wooster High School. His responsibilities exemplify the work he must do. For example, the principal has the duty of caring for all the financial matters of the school, the charge of all curricular assignments, the caretakership of the school building, and other administrative tasks. However, his job is not just business. He also acts as an agent for cooperation between the faculty and the parents, as a counselor for students, as a good will agent for the school, and as the moral leader for the entire student body. In all these tasks, Mr. Sayre capably handles himself and his duties.



Dr. Howard MacMillan, Mr. George Groop, Dr. John Chittum, Mr. Chester Shamel, Mr. Roy Miller, clerk, Rev. John Kindsvatter.

Board of Education

To the students of Wooster High School:

Our congratulations: We note with pride your many accomplishments, first in scholarship, but also in athletics, music, forensic and club activities.

Our query: With all of your accomplishments, have you been preparing for citizenship in the coming decades with your *full* potential of knowledge, skills, wisdom, personality and character? Have you sought some easy choices, without realizing that there are no short-cuts to getting a good education? Have you realized that "practice makes perfect" and that rigorous self-discipline of the mind and character is essential? Have you shown your gratitude to the community by the extent to which you have received that which has been offered to you?

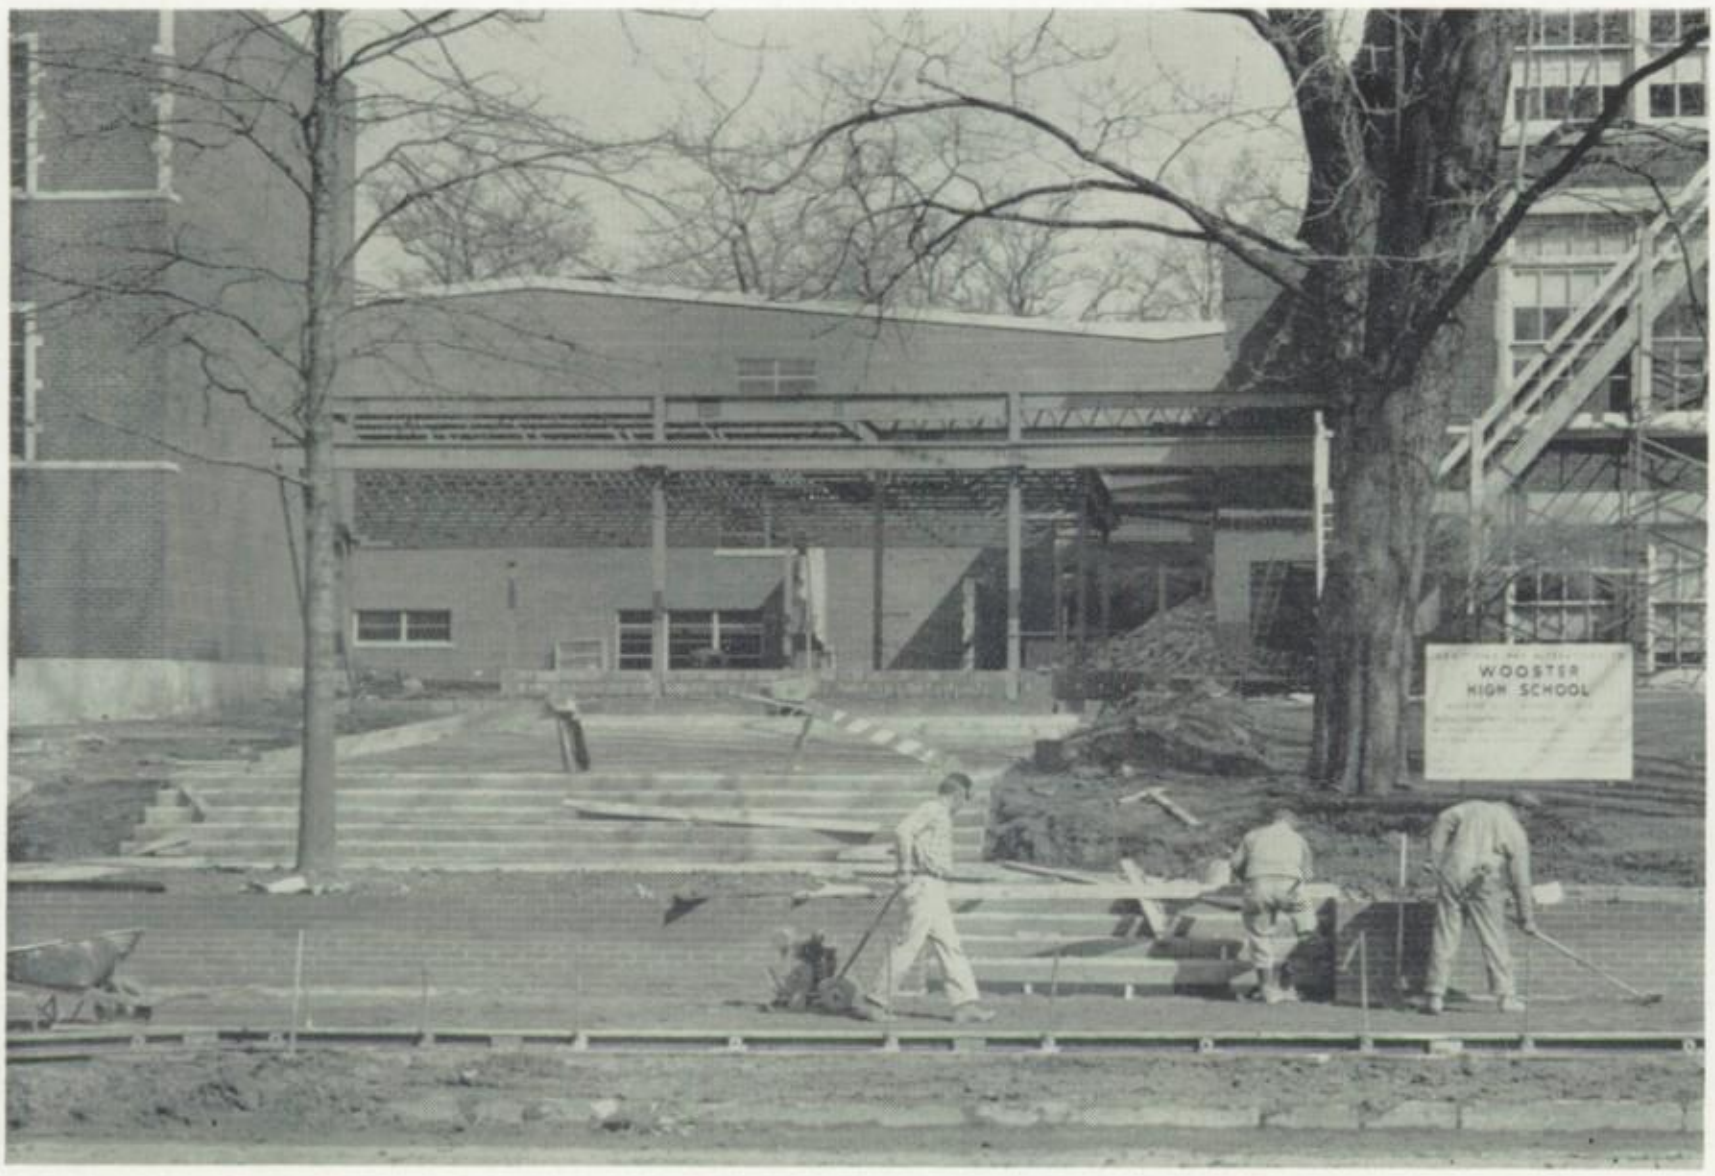
Our challenge: Learning is a challenge, an exciting adventure, a doorway to new horizons, and we urge you to make learning a part of every day's routine. Without learning, we vegetate, and life becomes dry, worthless, and without flavor. With learning we live, and our minds are sharpened and excited by the many stimuli which education activity generates. Education is a "cradle-to-the-grave" process composed of many and varied experiences which develop the person and prepare him for the next step. Each succeeding generation inherits new tasks, dangers and opportunities — new challenges for a new day.

Our best wishes: May you listen more attentively, work harder, study longer, open your minds wider and spread your enthusiasm. May you prepare even more carefully and joyously for the adult living that is just ahead. May each of you, on graduation day, move out with confidence to what lies before you. May each of you realize to the full the God-given potential that is within you.

The Board of Education

School Construction

Next year when school again begins for many of us, we will be as lost as the freshman. The school is now in the process of making many changes. Miss William' room is going to become a science seminar and Mrs. Myers's and Mr. Scolaro's rooms will also be dedicated to science. The projection room, where movies are shown, will have the floor taken out, and will then contain business machines. Mr. Ladd's room, 270, is being turned into a short hand and typing room. Art will occupy the rooms of Mrs. Sidle and Miss Nesbitt, after the wall dividing the rooms is torn down. The library will be enlarged with the addition of study hall 264. There will be booths at one end of the room for language students to listen to tapes which will be available to them. Miss Carroll's room will be added to the chemistry room on the second floor. It will be made into one large room by removing the partition between the two rooms. The music room that is now located over the library will move to the old co-ed room in the basement. In the following years a vocal room, practice room, and instrument room will be added. The radio and television studio will move upstairs and occupy a portion of the space that will be vacated by the music members. A new cafeteria is also one of the projects on the agenda. It is already under construction, and can be seen between the junior high and senior high. It will be circular in shape and will be able to seat around 384 people at one time. The cafeteria is going to serve two purposes, one, as an eating place, and also as a make-shift study hall before and after meals. The language department is invading the junior high and will occupy their library and large study hall. It will contain new learning devices such as tape reorders and individual booths for each student. What about the old cafeteria? Well it will serve many purposes. A boys' and a girls' rest rooms are taking part of the old cafeteria and the remaining room goes to the teachers. There will be a faculty lunch, a work room for teachers to prepare lessons, and a curriculum lab which will contain magazines and books for the teachers. Business education and bookkeeping will be moved to room 172. 167 and 169 will be typing rooms and will have forty-two typewriters. 164 and 166 are the new counseling offices and will also contain a small clinic at one end of the room. Here will be located two cots and a place where Mrs. Snow can give tests. Yes, many changes are being made. The advantages will surely outweigh the dust we choed on and the noise we endured.



MR. RALPH BEECHY

The Assistant Superintendent

The "man-behind-the-scenes" in the Wooster school system is Mr. Beechy. His work in handling the affairs of business for the city schools is quite exceptional and even more laudable.

The Director of Guidance and Psychological Services

Commonly called "the testing director," Mr. Bartlett handles the administering of all "psychological and aptitude tests" for the school system, as well as the working out of suggested changes in curriculum, counseling, and other school fields. In just two years, Mr. Bartlett has earned the respect and admiration of the faculty and students of Wooster High School.

MR. CLYDE BARTLETT

The Assistant Principal

One of the busiest workers in the school, Mr. Hartley handles the Attendance Office and the school calendar among other things. He is truly deserving of all the credit that could be given him.

MR. RANDALL HARTLEY

MRS. EDITH JOSS and MR. RAY HARPER

The Counselors

Since the counseling office was created two years ago, it has handled an enormous amount of work. Mrs. Joss and Mr. Harper, besides their regular tasks of aiding in college selection, of guiding choices of vocations, of testing students for aptitude and mental capabilities, are always ready to assist a student in a time of need. Their work is highly commendable.

In Memoriam

PAULINE BUTLER

NOVEMBER 22, 1943 — APRIL 4, 1961

There is no death! What seems so is transition; this life of mortal breath is but a suburb of the life elysian, whose portal we call death.

The Organizations

ANNUAL
KNR

Organizations

A good social life is acquired in a variety of ways. The experience of belonging to a club is one of these ways.

In theory, social life is found at picture shows and dances. Actually, it is in meeting and understanding people. A person will never be a success if he cannot express himself to others and get along with those around him. If he cannot make friendships, life will be lost to him. Club membership gives a person the chance to do all of these things.

Service is another aspect of club membership. The chance to do something for someone else is always present. A person is happiest when he has used his time and energy to earn a sincere "Thank you."

Participating in a club means responsibility. Each person is often asked to perform tasks for the benefit of everyone else. Learning what the meaning of doing a task quickly and well can also find its way into club activities. Everyone learns the responsibility of giving his own views and opinions for carrying out the work of the club.

Thus meeting people, giving service, and accepting responsibility are the values of becoming a club member. These are definitely not things to be avoided or criticized.

Wooster High has many clubs to offer its students. Some are primarily for the purpose of learning; some are for service; some are for recreation. Pick your club.

Student Council

The Student Council is the representative body of the high school, working with the students and faculty to help solve their mutual problems.

The past year was very active for the Student Council, since Wooster had the honor of being the host school for the Ohio State Student Council Convention that was held April 27-29. Wooster is in conjunction with the Area Student Council started plans early in the fall to make the convention a success.

The Student Council also planned home-coming festivities, conducted the annual magazine campaign, set up the monitor system, and took charge of the orientation program in the in the fall. Wooster participated in the following Wayne County Area Student Council activities: record hop, Christmas party, Spring formal, and membership conference.

Inter-Club Council

The Inter-club council is composed of all the presidents of the clubs of Wooster High School, with the vice-president of Student Council serving as its president.

The purposes are: to plan and co-ordinate the extra-curricular program of the high school, to charter all clubs, to help with any problems that the clubs may have, and to promote better relationships among the clubs.

This year's council has been successful in its projects. Among these were a leadership training program for newly elected club officers and the organization of Wooster High's Homecoming.

National Honor Society

One of the most respected clubs is the National Honor Society. It is an honorary organization for those who have achieved recognition in the fields of scholarship, leadership, and service. The student must be active in extra-curricular activities as a leader, and scholastically, he must be in the upper third of his class. He is also judged on service and character by vote of the faculty and students.

Of each class, fifteen per cent are admitted. Five per cent are inducted in the junior year; the remaining ten per cent, in the senior year.

The beautiful candlelight induction service is held in the spring. New members are told of the high ideals of the society and are challenged to strive toward these goals.

Adviser is Mrs. Sidle. Committee; Mr. Sayre, Miss Nesbitt, Mr. Welsh, Mr. Byrd and Mr. Dellerba.

The *General*

Upholding the saying "Variety is the spice of life", the *General* of Wooster High came out in many different ways. Among the ordinary issue of black and white was an issue of red and white, and an issue in the school colors, blue and gold.

Being "the only paper in the world that cares two whoops for Wooster High", the *General* remained the voice of the school and accepted any suggestions or criticisms of the students.

A couple of new additions to the paper were columns such as: "Plain and Chatty" by Jayne and Mady, "Slices of the Ham" by Dave Hamilton, and that always good humor column, "Bert Gaede Speaks". This last column was written by Bert Gaede, our exchange student, and was made up of what Bert thought of the United States.

"Sweetheart of the Month" was also a new addition to to this year's *General*. In co-operation with the Senior Hi-Y, the *General* carried a short story about each month's sweetheart and her activities at Wooster High.

A special thanks goes to our advisor, Mr. Paul Ladd, who helped make the *General* what it was.

Senior Tri-Hi-Y

The purpose of Tri-Hi-Y is "to create, maintain, and extend throughout the community, high standards of Christian character."

Membership is open to any sophomore, junior, or senior girl who is willing to uphold the purpose and the ideals of the organization.

The annual Big-little Sister Picnic, which was held in the City Park, gave new members a chance to become acquainted with the club.

This year Judy Olesko reigned as the annual Halloween Queen.

Just before Thanksgiving the annual city-wide scavenger hunt was held in which food and clothing were collected for needy families of Wooster.

Senior Hi-Y

The Senior Hi-Y is a service club open to all boys of the Senior Class. The basic objective of the organization is "to create, maintain, and extend throughout the home, school, and community high standards of Christian character."

The Senior Hi-Y this year has been very active, finishing their three years together in a creative fashion. Meetings were held twice a month; one being social and the other, educational. The club initiated the idea of selecting a "Sweetheart" every month to honor girls of the class who the boys thought to be deserving of the title. A bulletin board was placed in the hall to keep the members posted on the activities. The handsome display case was presented to the school in the fall.

Senior Hi-Y

The club also took charge of the Thanksgiving, Christmas, and Easter assemblies in conjunction with the Tri-Hi-Y. At Thanksgiving the club helped the girls gather and distribute baskets for the needy as one of their many service projects for the year. Each member was given the chance to serve himself through serving others.

The club presented a variety of programs to help the members as they prepared themselves for the future. These were combined with social events such as trips to Cleveland, a hay ride, and a party with the Senior Tri-Hi-Y to help the members become better developed citizens. The Senior Hi-Y of the Class of 1961 closed their year with a banquet.

Library Club

Truly the silent service of Wooster High is the Library Club. Without the student assistants, it would be impossible for the library to operate efficiently. The assistants check students in and out and card, shelve, and inspect books and magazines. They also help students to make full use of the library's facilities. The members assist in decorating the four bulletin boards, which provide helpful hints for good reading.

Any student who wished to work in the library signs up at the beginning of the year. He then is trained during home room period on Wednesday and the study hall periods in which he works.

The club's main social events are a fall and a spring potluck supper and the faculty tea in October at which time the new books are put on display.

Future Farmers of America

The Future Farmers of America is a national organization to aid boys in getting started in farming or to train them for a related occupation.

Each year the Future Farmers are engaged in many activities. These include the annual county Parliamentary Procedure Contest, in which the Wooster Chapter received a gold rating. This year, the Chapter Public Speaking Contest, various judging contest, which include dairy, sheep and wool, general livestock, and landjudging, were held.

The Wooster Chapter was well represented this past year to the State FFA camp at Camp Muskingum, Carrollton, Ohio. Among those members who attended were Clarence Jentes, George Gingery, John Parker, Gary Bougher, and Pete Bowen.

Each month a different FFA committee presented a fifteen minute radio program over WWST.

Future Homemakers of America

The Future Homemakers of America is an organization encouraging girls to enter the field of home economics and teaching them to promote a better home and community life.

The national theme for this year was "The Hub of Good Citizenship."

This year the girls worked on different projects, such as: selling candied apples, serving at faculty teas, serving for banquets, and selling Christmas cards.

The Tri-County project for this year was collecting money for U N I C E F. The chapter collected over $400.

The main project was the F H A formal dance.

In the course of the year our programs have included: speakers, tours, and other service projects for the school and community.

Future Nurses of America

The purpose of Future Nurses of America is to interest the students in the welfare and health of the community and to encourage them to discover all the personal satisfaction which nursing holds in store.

The club tries to carry out this purpose by serving the Wooster Community Hospital. Members work as candy-stripers delivering flowers to the patients' rooms. The Future Nurses also worked as nurses' aids in the school clinic during the school vear. Some of the other club activities included a candlelight induction, films, speakers, and tours to nursing schools.

Mu Alpha Theta

Mu Alpha Theta is the national high school mathematics club. Members are juniors and seniors with high academic standings and an interest in mathematics.

The Mu Alpha Theta traveling libary makes accessible information of interest to students in mathematics which goes beyond the work of the regular math classes. Such work includes Euler's nine point circle, twin primes, magic squares, mobius strips, and electronic computers. The club also made a trip to the math department at the College of Wooster as one of their projects.

Knights of the Square Root Table Math Club

Knights of the Square Root Table is the mathematics club of Wooster High School. The purposes of this club are: to gain further knowledge of mathematics, to learn the application of mathematics, and to stimulate interest in science.

Math Club is open to any student who is taking or has taken Algebra 9 and who is interested in mathematics.

During the year, many interesting programs concerning mathematics are presented and the meetings are often concluded with a challenging mathematical puzzle for the members to solve. In additional, several appropriate field trips are included in the year's programs.

With all its interesting and informative programs and activities, Math Club keeps its members interested and busy.

German Club

The command of a foreign language opens new avenues of culture, placing us in direct contact with an investigation into the life and civilization of other peoples. Through the German language one can came to an effective understanding of the life and literature of the German people. It is the purpose of the German Club "Deutsche Kameraden" to enhance this understanding and supplement classroom work by conducting informal and entertaining meetings where the opportunity to hear and speak the language conversasionally is provided. Many of the customs and much of the culture and society of Germany are made more meaningful by guest speakers, films, records and student participation in discussions.

Future Teachers of America

Members of the Future Teachers Club serve the school through the following activities; grading papers, taking attendance in classes, and ushering for different school activities, such as PTA open house.

In the fall, the club sponsored a post-game dance, proceeds of which went to the club's scholarship fund. Club members decorated for Baccalaureate and Commencement. The May breakfast, which is for the recognition of the seniors in the club, climaxed the year's activities.

This year the club two delegates, Mady Miller and Ginny Cicconetti, to the state conference at Columbus. Jo Ann Massaro and Pat Kowaluk represented the club as ushers at the NEOTA convention in Cleveland.

Debate

The Wooster High School debate team is made up primarily of students who wish to participate in extra-curricular debates. This entails a great deal of contest debating, which takes place on Saturdays. The season generally begins around the first week in November, and ends with the state tournament the middle of March.

Normally, from four to five teams of four members each participate from year to year. This year the extra-curricular debaters participated in some 150 contest debaters. No exact record is kept, but the usual percentage of wins is about 75%. Two trophies were added to the Wooster collection this year as a result of several "good" Saturdays.

The varsity squad this year that rated as "A" team most of the time was composed of Richard Eppley, Robert Culbertson, Mark Levine, and Pat Culbertson. All but Mark are seniors, so some new faces must share the load next year.

National Forensic League

The National Forensic League of Wooster High School has just completed its 30th year of operation at the local level. Having been chartered by the national office at Ripon, Wisconsin in 1930, Wooster High is one of the few schools in the nation to have maintained both quantity and quality in the field of speech education.

Highlights this year included the annual debate tourney in December. In February an individual events tourney and the district NFL tourney were held at Wooster. This is the third consecutive year that Wooster has played host to the Eastern Ohio district tourney. Students who place first in this contest are eligible for both the state and national tourneys.

Students qualifying for the state speech tourney in Columbus this year were Carolyn Blackwell, Herb Broda, Ed Bucher, Ann Budd, Pat Culbertson, and Mike Lamb.

Wooster High Student Voice

Students at Wooster High School gain experience for radio announcing by joining the radio club, known as WHSV.

A variety of activities are incorporated into this year's program. Most of the students get an opportunity to announce over the school public address system for morning announcements. Devotions are also conducted over this vast network of speakers. When assemblies are held, the students get to perform before the student body in the auditorium.

Engineers help with the audio equipment in the sound room, at Maurer Field, the new gym, the auditorium, and on trips to the elementary schools.

One project which has also become somewhat of a tradition is the radio club assembly program. This generally comes in early spring.

With educational television just around the corner for students in this area, the club is looking forward to additional responsibilities in this new medium.

The staff for this year included:

Soc and Buskin

The Soc and Buskin is the center of the dramatic arts of Wooster High School. The soc is a type of soft moccasin which is the Greek symbol for the comedy. The buskin is the high-heeled, clumsy boot, also of Greek origin, that signifies the drama or tragedy.

Working on the play, both in acting and behind the scenes, gives the members a taste of the effort that goes into producing a show. Both of these departments are essential to the success of a production.

Membership is open to any student who has completed one year in the Apprentice group. Three of the meetings, held once a month, are devoted to skits given by the three upper classes.

A three-act play is produced each semester, furnishing highlights of the school year. "January Thaw" and "Mother Is A Freshman" were two comedies done in the recent months.

Thespian Society

Thespian Society is open to any member of the Soc and Buskin Club who has earned ten points by either acting in the annual fall and spring plays or working backstage on any of the various committees. The Society is an honorary organization made up of those students who have done outstanding work in the dramatic field. There are over two thousand chapters of the Society in the United States.

Every spring the Thespians have a formal banquet which is their only meeting all year. At this time new members to the Society are inducted and the senior members are recognized for their achievements. The motto of Thespian Society, "Act well your part; there all the honor lies," symbolizes the spirit of all the members in this national organization.

Band

This year, again under the capable direction of Mr. Jack Emig, the Wooster High School Band had an outstanding season. Playing at all the home football games and many of the ones away from home, the band made many striking and memorable appearances. Especially well-liked were the technically difficult drill shows which the band carried out with precision skill.

The Band then changed from a marching unit to a concert group. In April they gave a fine assembly for the students at school; later, on May 12, an evening show was presented for the community. All in all, the band this season did such tremendous work that it earned the respect and admiration of musicians throughout the state.

Orchestra

The Wooster High School Orchestra began the season by playing an animated and inspiring Spring Concert. This fine musical organization was assisted by the junior high orchestra.

The orchestra played for an all-school assembly program. This concert was very enthusiastically received by an appreciative student body. Additional programs were the student council district meeting, baccalaureate, and commencement.

Paula Dodez, a junior, was appointed concert mistress for the 1960-61 school year.

Senior Choir

The senior choir opened the 1960-61 concert season by singing a varied and inspiring program for the music mothers. For their Thanksgiving assembly the senior vocal organization sang two classic selections composed by Bach. These songs were well received by an intelligent and appreciative student body.

The Christmas Sing was presented to an overflowing crowd. The choir's rendition of the Hallelujah Chorus was said to be outstanding. This masterful work composed by Handel was accompanied by junior Carolyn Ross.

The senior choir, quite capable of singing both a cappella and accompanied music literature, delivered both religious and secular selections of classic literature for the large and enthusiastic audience attending the spring concert.

The concluding concerts were the Commencement and Baccalaureate programs.

Mixed Chorus

The mixed chorus numbered over sixty students this year. This young enthusiastic group of vocal students was outstanding throughout the year.

The chorus was capably accompanied by Cheryl O'Hail.

In addition to their fine work at the Christmas Sing, the chorus presented a varied program of Christmas music for the Music Mothers Organization.

Girls Glee

Clear diction, fine balance, perfect control, and the interpretation of music literature have never been so well mastered. This was the verdict of the audience who heard the girls glee sing during the 1960-61 season.

The girls, dressed in black and white, were charming to watch at the annual spring concert. Their work this year at various concerts has been outstanding.

Football Coaches

The coaching staff of the 1960 Generals is a group with varied experience and training. Head coach Roman Majerczak came to Wooster with four varsity letters in football from Ohio Wesleyan University. Coach Delerba received his training at Kent State University; Coach Downie, at Heidelberg; Coach McCreary at Otterbein; Coach Zuercher, at Findlay; and Coach Calabria, at the University of Southern California.

A ride off the field rewards Coach Majerczak at the end of a perfect season.

Mark Axe, Orin Martin, Tom Bates, Terry Chellis

Football Managers

When one remembers the team and the coaches, he often forgets the little man, the manager. The managers have the job of cleaning up the locker room, helping with the equipment conditioning and repairs, as well as keeping the team physically repaired while in contest.

Reserve Football

The future Generals piled up an impressive 6-2 record under the coaching of John McCreary.

Wadsworth served as the first test for the junior Generals. This test was passed with flying colors as the JV's won by a 36-2 count.

Orrville became the second victim of the reserve gridders by a 12-8 count.

Quarterback Ted Flickinger next engineered the 14-8 defeat of the Dover Tornadoes.

A fourth victory for the future Generals came easily at the expense of the Ashland Arrows who fell by a 36-0 score.

A determined, but overpowered, Medina squad bowed to the JV's in a 14-6 defeat.

When the reserves met a heavy, experienced, and powerful Barberton squad, they got their first taste of defeat by a 34-18 margin.

Boys' Village fell easy victim to the junior Generals who rolled over the Boys' Village squad 34-0.

To end the season, the Generals bowed to defeat at the hands of the Mansfield Rams 12-6.

Freshman Football

Coach Ken Zuercher's freshman team posted a 4-3 record as these boys gained their first experiences on the gridiron.

This band of freshman battlers started the season in fine fashion by defeating four sturdy foes. Ashland first bowed to the frosh in a 6-0 battle. An Orrville Red Rider squad next fell victim to the Freshmen as they lost by a 12-8 score.

The Dover frosh next tasted defeat at the hands of the young Generals as the Tornado frosh bowed 23-12. The fourth victory came as Don Balloon and Ben Mitchell led the first year Generals to a 20-0 victory over the Rittman team.

The season ended on a sour note as the young Generals dropped three decisions straight. Coach Zuercher's crew first tasted the sting of defeat at the hands of Mansfield Senior by a 46-28 count. The second defeat came at the hands of another Mansfield team; this time Mansfield — the score, 12-6. To round out the season, the frosh dropped a heartbreaker 22-20 to the Ashland Arrows.

Freshman Basketball

The freshman basketball team posted a fine season mark of 14 wins and 3 defeats. Leading the team in scoring was Don Balloon with 185 points for an average of 10.8 points per game. Dave Parker led the team in rebounding with 204 rebounds for an average of 12 per game. Ben Mitchell proved to be an all around threat with an average of 9.4 points per game combined with an average of 10.7 rebounds per game.

A heartbreaking loss opened the season as the young Generals bowed to Massillon 38-30. The frosh soon found the winning trail and followed it to six consecutive victories. In their six consecutive victories the freshmen raced past Mansfield Madison 43-34, eased by Mount Vernon 31-28, slipped past Ashland 37-33, won a close contest over Rittman 35-34, ran over Coshocton 45-39, zipped past Orrville 39-36. The winning skein was broken by the Ashland Arrows as they defeated the frosh 44-39. The Barberton Tournament provided the next test for the young Generals. Wooster proceeded to trounce Cuyahoga Falls White 39-24, whip Northwest 43-35, nick Highland 33-31 and then fall to U.L. Light by a 34-37 count. Despite the loss to U.L. Light, the frosh placed second in the tournament. The freshmen again found the winning trail and marched to five victories to close the season. In this final burst the young Generals outscored Mansfield Madison 61-53, clipped the Coshoction crew 46-34, ripped Orrville 33-19, snuck past Mount Vernon 41-38, and finally stung Rittman 43-22.

Wrestling

A splendid 12-2 record, the district runner-up title, and an individual state championship, stand as the accomplishments of the 1960-61 Wooster High School wrestling team. After an opening loss to Massillon by a 20-17 count, the Generals flattened Canton Catholic 34-8, dropped Mansfield Madison 33-8, pinned Mansfield Senior 39-8, outscored Canton Timken 33-16, smashed Canton Lincoln 40-5, and were victorious over Ashland 38-6.

With a desire for revenge, a determined band of Generals stepped on the mats to defeat Massillon in a rematch 24-16. The Generals added three more victories to their record — over Canton McKinley 20-14, Mansfield Madison 28-11, and Louisville 23-11 — before meeting a powerful team from Beaver Local. In this match with Beaver Local, the Generals met their second defeat as Beaver Local eked out an 18-15 victory. Two more matches prepared the Generals for district competition, the Generals dropped Cuyahoga Falls 24-18 and flattened Mansifeld Senior 34-8.

The powerful Wooster squad that wrestled in the district meet placed second with 59 points to champion Beaver Local with 60 points. At the district, three Wooster wrestlers qualified for the state tournament; Andy Kobilarcik qualified as a district champion and Clarence Jentes and Ted Sperry as district runners-up. Andy then climaxed his wrestling career at Wooster by winning the state championship in the 165 pound weight class while leading the Wooster squad to eleventh place in the state.

Swimming

The 1960-61 swimming team had one of the best seasons in the history of the sport at Wooster High School. The aquamen compiled an 8-6 record while breaking nine pool records and all but one school record. Leading the team were senior co-captains Ev Burgess and Charles Vaughn, and sophomore letterman Rick Snoddy. Ted Bogner was the fourth and final returning letterman.

The swimming team had more bench strength than before, as several underclassmen came through with fine performances. Although the future appeared to be promising, the loss of seven seniors will require some rebuilding.

Bad luck plagued the mermen at districts, as only Ev Burgess and Charles Vaughn could score any team points. Rick Snoddy, Ken Snider, and Brad Franks did well but could not score. The medley relay team of Snoddy, Burgess, Vaughn and Jeff Marchand could have gone to the state meet except for disqualification because of a false start.

Baseball

When baseball practice opened, seven lettermen returned to the diamond. Seven of the nine positions on the field were filled by the returning lettermen, Herm Luke, Ted Huxley, Bill Eaves, Don Kosier, Lonnie King, Dave Maurer, and Dunge Cicconetti. Most of these lettermen were members of the Rubbermaid Hot Stove League team that won the league state championship.

All preliminary reports seem to indicate that Wooster High will be able to be proud of its 1960-61 baseball squad.

Among the twenty-three contests facing the Generals are contests with Mansfield Madison, Ashland, Mansfield, Dover, Massillon, Barberton, Canton McKinley and Galion.

Row 1—Mike Braunstein, Jim Halloran, Ben Tommassetti, Ron Covert, Tom Seib, Clark Patterson
Row 2—Gary Kolbe, Dan McCullough, Greg Franks, Bill McGrady, John Landis, Rich Moore, Ted Trikilis
Row 3—Brad Franks, Jack Schubert, Dean Jolley, Ron Everhart, Fred Mathis, Jim Harmer, Art Nauman, Warren Barnes

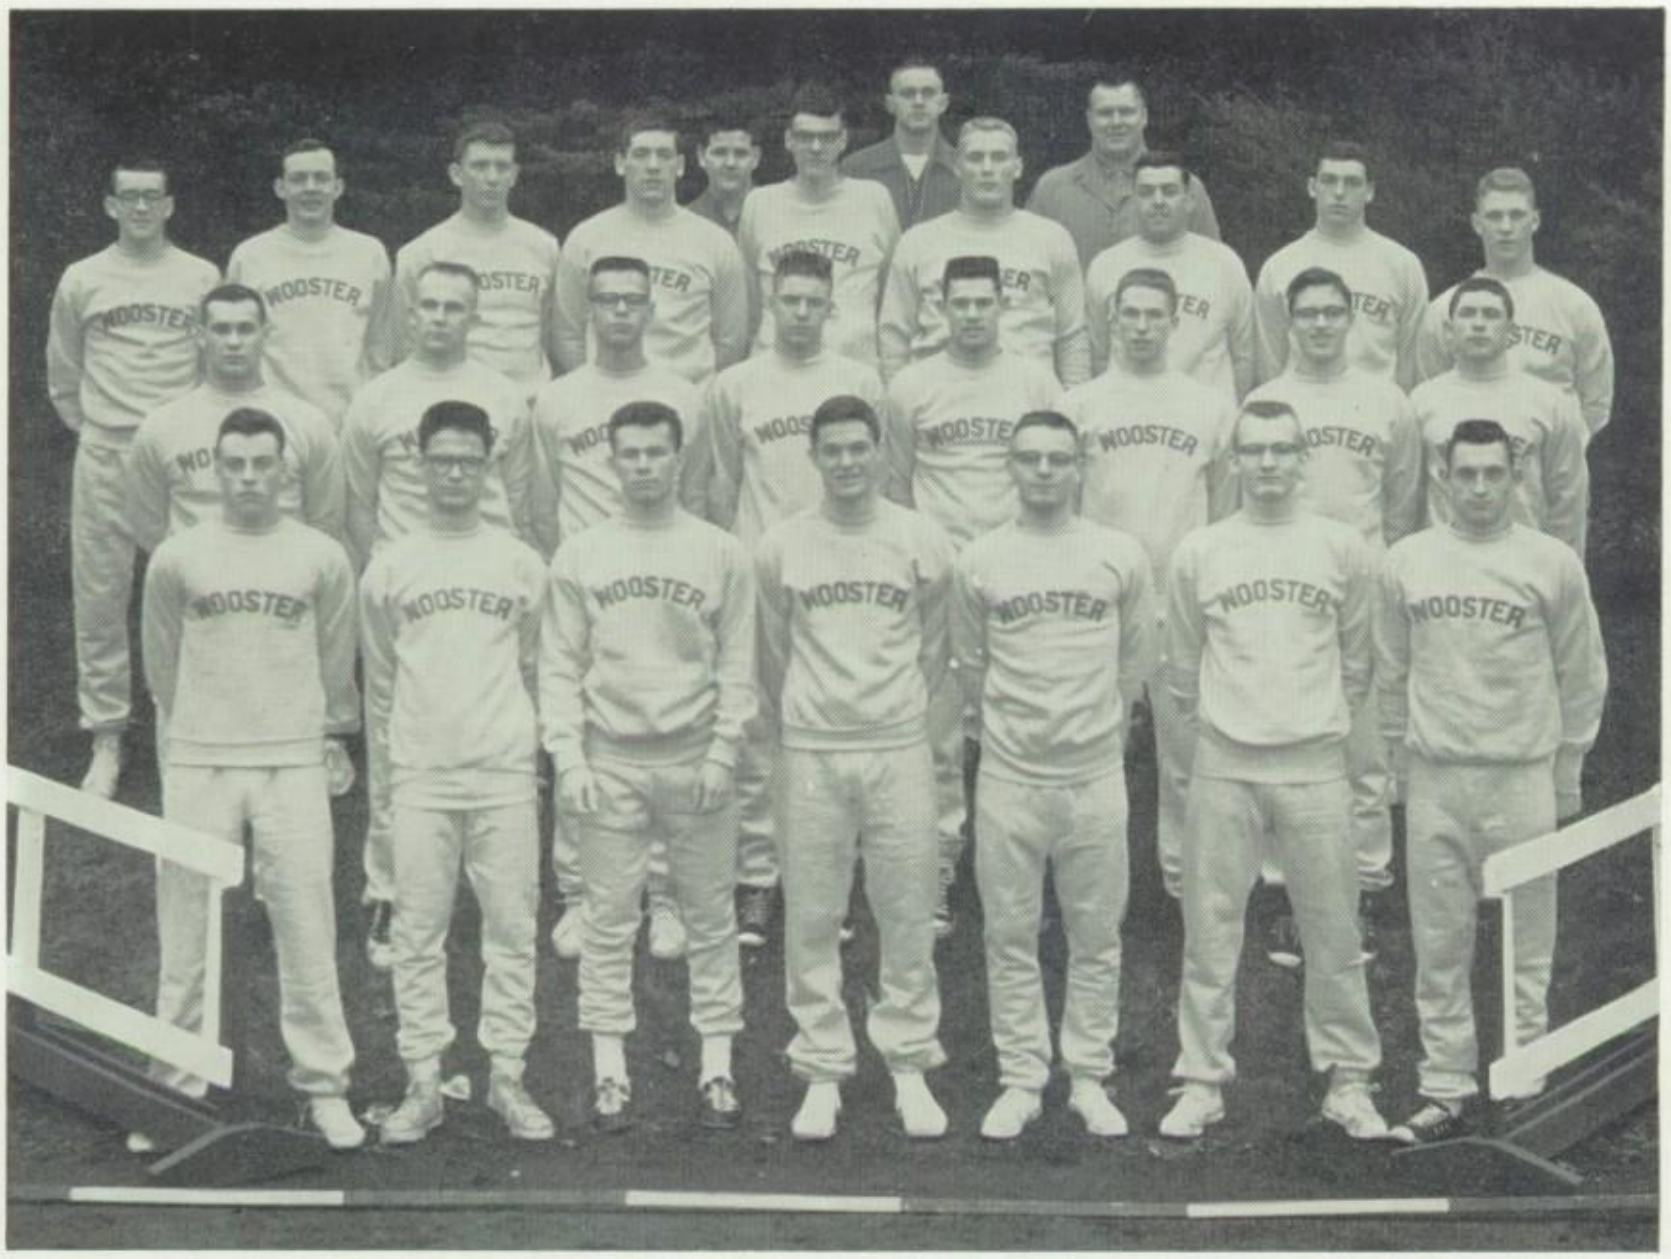
Golf

Twenty-five golfers including three lettermen reported to golf practice when Coach Zuercher sounded the call to practice. Two seniors, Ron Everhart and Warren Barnes, and one junior, Fred Mathis filled three varsity positions and the fourth position was open for contest.

A large schedule of thirteen varsity matches faced the swinging Generals.

At press time, everything seemed to indicate that the golfers will have a highly successful season.

Among the teams to be played are: Mansfield Madison, North Canton, Barberton, Massillon, Jackson, Ashland, Shelby, and Orrville.



Row 1—Tom Bates, Dave Hamilton, Val Naujoks, Ray Norris, Rod Miller, Rod Byler, Ken Bonnell
Row 2—Andy Koblarcik, Don Plant, Chuck York, Dennis Wells, Gary Miller, Elliot Ligget, Jim Harrington, Paul Naujoks
Row 3—Lou Kauffman, Ken Tulloch, Frank Hixon, Larry Snyder, Glenn Smith, Denny Howman, Tom Foster, Ken Tyson, John McCoy
Row 4—Manager Tom Gerber, Coach Downie, Coach Majerczak

Varsity Track

Seeking their second consecutive perfect season, the Wooster High track team reported to practice ready for action. Ten lettermen are Andy Kobilarcik, Rod Miller, Tom Bates, Dennis Wells, Ev Burgess, Ken Tullock, Glen Smith, Denny Howman, Don Plant, and Val Naujoks.

Early reports indicate that a profitable season will result, especially if some of the non-lettermen progress as the season unfolds.

A series of meets against stiff opposition pose a challenge for the track squad. Meets with Dover, Mansfield Madison, North Canton, Mount Vernon, and Massillon, as well as the Mansfield and Wooster Relays and the Cardinal Conference meet, highlight the track schedule.

Row 1—Bob Schubert, Max Ricker, John Parker, Gary Penwell, Mike Odgen, Fred Massaro, Jim Hoessle, Bob Siewert, Martin Weber, Jim Martin, Tom Iannarelli

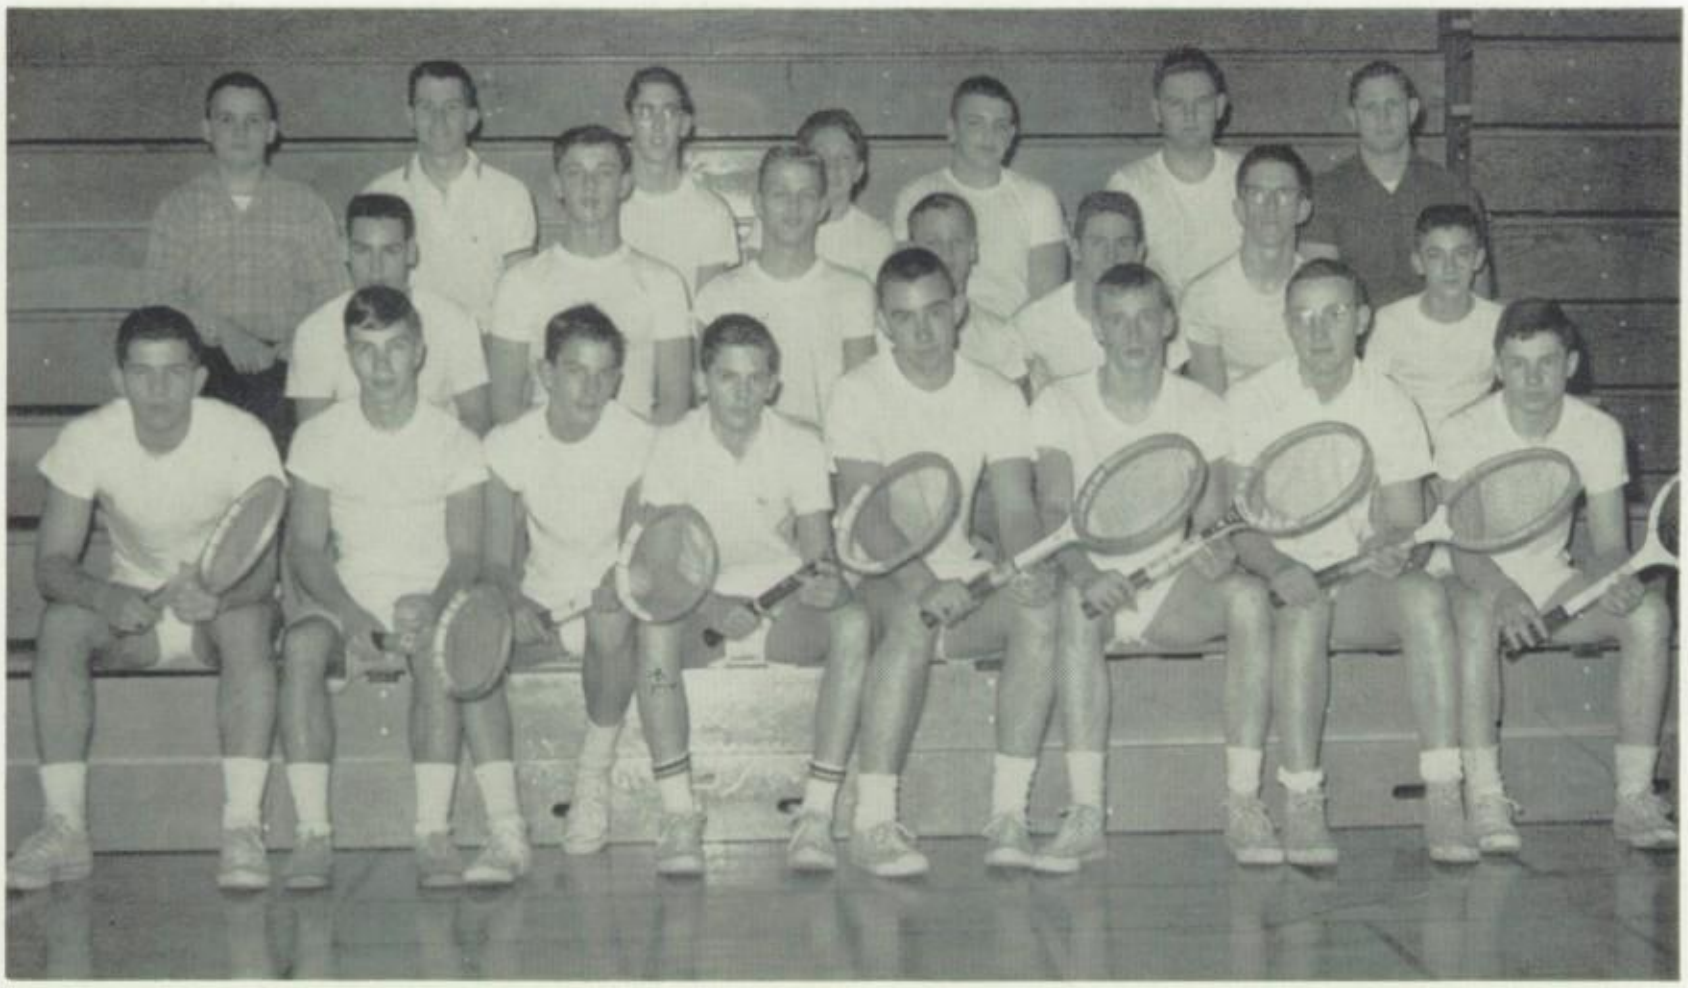
Reserve Track

A large number of freshmen and sophomores reported for the reserve track team this year. The underclassmen competed in varsity meets as well as three special reserve track meets.

Early in the season as this book was going to press, it appeared as though the reserve squad would have a fine year, and will serve well as next year's varsity.



Row 1—Jerry McCarley, Allan Franks, Bob Weiss, Dee Griffith, John Moore, Ed Guthrie, Bert Gaede, Alan Keiffer

Row 2—Mark Levine, Mike Williams, Don McClellan, David Baab, Kurt Dew, Steve Schreiber, Kenny Morris

Row 3—Manager, Louie Braden, Bill Gordon, David Moore, Tom Gibbs, Ted Taylor, Mardon Erbland, coach, Bob Whisman

Tennis

For the first time in several years, a new sport was inaugurated at Wooster High School. In 1961, tennis became a varsity sport at W.H.S. Twenty hopefuls responded to Coach Whisman's call to the court.

Seeking to establish Wooster as a powerhouse of tennis, the team will meet teams from Shelby, Mansfield Madisons, Ashland, Galion and Akron Buchtel.

Before the season opened, Bert Gaede appeared to be the sparkplug who would ignite the Wooster attack. If pre-season reports prove correct, Wooster High will have a successful opening in schoolboy tennis.

Row 1—Dave Maurer, Herman Luke, Wayne Smith, Dennis Howman, Dave Snow, Dick Noble, Larry Snyder, Bill Balloon, Charles Vaughn, Bob Engle

Row 2—Lonnie King, Dunchie Cicconetti, Don Plant, Andy Gobilarcik, Ted Bogner, John Grissetti, Tom Bates, Chris Cagle, Tom Gerber, Terry Wilson

Row 3—Lou Kaufman, Paul Murray, Dave Warner, Paul McCay, Jeff Marchand, Ted Huxley, Ted Sperry, Ron Everhart, Jim Sidle, Glen Smith

Row 4—Rick Snoddy, Frank Hixon, Ken Tulloch, Val Naujoks, Bill Eaves, Dennis Lahey, Neil Baum, Harold Beers, Rod Miller, Ken Rutt

Boys "W" Association

Service to Wooster High School in many areas of scholastic activity was one of the aims of the Boys' "W" Association of 1961.

On top of the program was a new scholarship based on scholastic ability, leadership, and character. Although small, this scholarship has set a precedent for following years.

During the winter, the "W" Boys helped to keep order in the new gym, to referee intramural wrestling and basketball contests, and to usher at varsity basketball games. This year as always the boys sponsored a dance after the annual night relays.

For the third successive year the "W" Boys, in cooperation with the Leaders Club, presented an assembly for the student body.

The honorary club of the Girls' Athletic Association is the "W" Girls. In order to be eligible for the "W" Girls a girl must have acquired 1500 points if a freshman, sophomore, or junior and 1100 points if a senior. Upon earning 1500 and 1800 points, a girl is awarded an honorary "W" pin for outstanding sports achievement. The biggest activity for this group is the annual initiation for new members in the spring.

GAA Sportsboard

Sportsboard, the governing body of GAA, consists of four elected officers and eleven appointed managers.

The purpose of the sportsboard is to promote an active interest in GAA activities and to plan and carry out a successful program for the year.

Each year the GAA along with the "W" Girls gives a scholarship to a worthy senior intending to continue in the fields of physical education.

Leaders Club

The student gym leaders of the girls' physical education classes are chosen by the teachers of these classes on the basis of leadership, sportsmanship, ability, and enthusiasm. In gym classes the leaders help in various ways such as demonstrations, explanations of rules, and by refereeing in classes and in intramural sports at noon.

Class History

FRESHMAN

In the fall of 1958 an exceptionally large class of freshmen assembled for the first time in the halls of Wooster High School. It took a few weeks for the strangeness to wear off and for the "ties that bind" to form, but soon familiarity with the Alma Mater as well as friendships blossomed.

The class of '61 began to click, finding that it was not only exceptional in size but in many other ways. The primary marks of a top quality class could be seen. The goal of being outstanding would only be reached by slow, sure progress.

Athletically, the freshmen teams fortold future glories by completing successful seasons in their own sports — freshman football (4-2), and basketball (10-3). They also aided the other teams with their abilities. We were especially proud when some of the freshmen football players got to dress varsity and when those such as Everett Burgess, Bill Balloon, and Val Naujoks earned varsity letters as freshmen.

Clubwise, we received our first organization with Dick Noble heading up Apprentice Club and Mimi Robinson presiding over the huge Latin Club I.

One has only to look at the 1958 yearbook's speech section to see that freshmen were more than able participants. Pat Culbertson qualified for the State Speech Tournament in Girls' Extempore.

Our freshman cheerleaders were Mimi Tissot, Bonnie Wertz, Sylvia Saunders, and Peggy Ellis. Mary Ann Keil and Pat Giffin represented the freshman class on the football field as majorettes. We were so proud of them!

Our freshman year came to a close as Myrna Yocum and Ted Huxley were chosen to be the freshmen waitress and waiter for the Prom. It was a year we will never forget.

Class History

SOPHOMORE

Over our freshman daze, we entered high school the fall of 1959 as big bright sophomores. President Mary Ann Keil, aided by Vice President Gene Myers, Secretary Peggy Ellis, Treasurer Frank Ellsworth, and Co-social chairmen Mimi Robinson and Bob Jolliff led us in a successful year.

Co-presidents Sally Trump and Mady Miller started us in our Tri-Hi-Y career. Rod Miller served as president of sophomore Hi-Y. Ted Huxley added his talents as president of Societas Romana. The Roman banquet was an immense success.

We as sophomores were active in speech and dramatics. Ed Bucher, Mary Ann Keil, and Pat Culbertson, attended the State Speech Tournament. Kay Buss, Shirley Quigley, Linda Flesher, Candy Riley — these sophomores appeared in "The Family Nobody Wanted."

We shone is sports, too. Never a class without ideas, we sponsored a card section at the basketball games. A lot of work and fun was spent in putting this together. Dick Noble and Wayne Smith lettered in football. Warren Barnes and Ron Everhart added letters in golf. Val Naujoks won his second letter in track. The swimming team gave letters to Charles Vaughn, Everett Burgess, and Ted Bogner. Dave Maurer, Dunge Cicconetti, and Lonnie King won letters in baseball. Bonnie Wertz, Linda Flesher, and Sue Frantz received hard-earned W's.

We picked our class colors — baby blue and charcoal. Prom waiters and waitresses were Myrna Yocum, Kathy Treat, Bonnie Wertz, Mimi Robinson, Mady Miller, Ted Huxley, Dunge Cicconetti, Wayne Smith, Dick Lichteberger, and Ted Sperry.

The sophomore class ended the year with a tremendous party. The Splash and Dance was directed by our class officers and advisers, Mrs. Woods and Mr. Byrd.

JUNIOR

Our junior year was perhaps our most important and memorable year, for we worked hard and produced much. The seniors, their heads in the clouds at the thought of graduation, made our class the leader of the school.

The success of the year, we left in the hands of a capable and hard-working staff of officers headed by Bob Horst. Ted Huxley was vice-president, Kathy Treat was secretary, Jo Ann Massaro was treasurer, and Bonnie Wertz and Lonnie King were co-social chairmen. It was their job to make our prom the best ever — which indeed it was.

With the beginning of school came football and home-coming. Two juniors, Peggy Ellis and Sue Whittier, were in the court to see Wooster beat New Philly 14-8. Basketball's contribution to sports excitement was the General's spectacular win over state-rated Ashland 66-61. Ted Huxley played varsity all year long.

Academically we had much to be proud of. John Boggs won a state superior rating in the science fair for his model of an aircar and Mary Kaye Heisler went to the state speech tournament in humorous. Girls' State delegates were Shirley Quigley, Lois Specht, and Jo Ann Massaro. Two boys, Bill Vodra and Jeff Thomas, attended Boys' State. Karen Ackerman and Jeff Marchand went on seminars to Washington and New York respectively.

Speaking very well for the abilities of our great class, thirteen juniors were inducted into National Honor Society. They were: Karen Ackerman, Kathy Treat, Mary Ann Keil, Mady Miller, Pat and Bob Culbertson, Ed Bucher, Sue Frantz, Lynne Miller, Ann Hunt, Bob Horst, Dave Warner, and Dick Noble.

Early in the spring we elected as President of Student Council, the first girl in many years, the second girl ever to be president of Student Council—Myrna Yocum. Juniors Kathy Treat and Lonnie King served as secretary and vice-president respectively.

The most memorable event of the year was the 1960 prom — *Le Jardin D'Amour*. The winning theme was submitted by Lois Specht and Doug Shamp. The junior class was represented in the prom court by Peggy Ellis and Mady Miller. It was a beautiful climax to a wonderful year.

SENIOR

Seniors! That magic word. Here was the climax of four years of high school — three long years of being underclassmen. A class of leaders chose Dick Noble as class president. Vice-president was Denny Howman; secretary Mady Miller; treasurer, Kathy Vaughan; co-social chairmen, Shirley Quigley and Larry Snyder.

Yes, our *senior year*. We looked forward to it for eleven years and then got only one chance to live it. We made the best possible use of it, though. Our football team started the year spectacularly with an undefeated season, winning all 10 games. Were we proud! It was a senior team — seniors filling many of the positions. Denny Howman, Ted Huxley, Larry Snyder, and Andy Kobilarcik are names that were heard long after the season ended. The Cardinal Conference Trophy was not the least of our trophies. Everyone remembers the last game of the season when undefeated Orrville met their Waterloo at Wooster, falling victim to the "Untouchables."

Mady Miller reigned as our lovely Home-coming Queen. Seniors Mary Ann Keil and Jo Ann Massaro were in her court.

Again in sports the basketball team brought home our second Cardinal Conference trophy of the year. Senior faces will be sadly missed next year on the basketball court. The teams were cheered on by our senior cheerleaders Mimi Tissot, Peggy Ellis, Sylvia Saunders, and Mimi Robinson.

To carry on the impossible example of the football team Wooster's greatest wrestling team in years won 14 of its 16 matches. Our pride and joy was Andy Kobilarcik, as he won first place in his weight class in the state tournament. Adding other wins to the year was the winningest swimming team Wooster had had in a long time, with no little thanks to the senior members.

Rod Miller as editor of the *General* and Bill Vodra as editor of the *Imperator* made exciting new changes.

The Hi-Y under the leadership of Frank Ellsworth started to elect its Sweethearts of the Month. Eight senior girls — Peggy Ellis, Shirley Quigley, Mady Miller, Myrna Yocum, Sylvia Saunders, Mimi Tissot, Mimi Robison, and Sara Sprowls were honored as sweethearts.

Judy Olesko and Dave McKee were our Halloween King and Queen.

Finalists in the Merit Scholarship Test were Joanne Tanner, Ed Bucher, Ray Norris, Tom Weidenhammer, and Bill Vodra.

Our class was fortunate to have two exchange students — Meike Kulk from Holland and Bert Gaede from Germany. They brought many interesting times to Wooster.

As seniors, Mimi Robinson and Dave Hamilton represented Wooster n the seminars. Sue Whittier was sent on the United Nations seminar during the summer.

Kathy Treat won second place in the nation in the "Make it yourself with Wool Contest" in Denver, Colorado in January.

Reigning as Track Queen at the night Relays was Mimi Robinson. She was elected by the student body.

Rich Eppley qualified to go to the National Speech Tournament in Pittsburgh, Pennsylvania, for his performance at Student Congress in April.

The senior class made its imprint on Wooster High School that will remain for many years. The exceptionally large class of freshmen that entered in 1958 was an exceptionally talented class that left in 1961.

1960 Prom

On May 27, 1960, the class of '61 presented the product of two years' hard work, Le Jardin d'Amour.

As actual work got under way, everyone could see that the decorations were going to be very detailed. Not only did they have the regulars as the dancing area and the powder room, which was located on the balcony, but also a small side walk cafe in a little nook in the wall. From here refreshments were served.

Bonnie Wertz and Lonnie King, the co-chairmen, as well as Mr. Byrd and Mrs. Woods, the class advisers, are to be congratulated on a fine job well done.

That night the quaint old hanging lanterns and the twenty-five piece Ohio State Jazz Forum put the finishing touches on the mood in final tribute to the Prom Queen Barbara Morgan and her court.

The post-prom party activities did a wonderful job of topping off the evening. At the Armory the parents carried through the theme by simulating a Paris street with red and white awnings protecting side walk cafes all along it. A five piece combo provided music for dancing in the "street." The light breakfast served at the "Y" closed the night's festivities.

International Flavor

International flavor was provided this year for Wooster High School by Meike Kulk and Bert Gaede. The Michigan Council of Churches sponsored the exchange of many foreign students, among them Meike and Bert.

Bert is staying at the home of Mr. and Mrs. Victor Vodra; Meike is spending the year with Mr. and Mrs. Robert Pollock.

Surprisingly enough, when he was asked what he thought was the most unusual of American customs, Bert replied that this was the white tennis shoes and white socks that the girls wear. While on the subject of customs, Bert was asked which of our customs he would like to take back to Germany. His answer: co-educational schools. This answer is proof that Bert is a true American in his feelings now.

This fall Bert was treated to his first football season. He liked the sport very much, not having the sport in Germany. He, like the rest of us, thought that the team was terrific.

On the subject of education, Bert thought that the teaching of such subjects as speech, world problems, and civics is very useful. "In Germany one can go through four years of elementary school and still know little or nothing about the workings of the government or the world about him."

Comparing German schools with our own, Bert said that really you could not properly compare the two because in Germany all enter elementary school, but in the fourth grade all

are given an exam. The more gifted students, who do well on the test, are then allowed to enter high school. The others go on to some sort of trade school.

A strong approval of extra-curricular activities was evident, since in Germany programs of this sort are non-existent. Sports were not part of the school program. If a person were interested in sports, he would join a sports club. Bert, a member of the varsity tennis team, was a member of a tennis club at home. He should become a letterman this spring.

One complaint that he had about our activities was that he could not see how some people could join so many clubs and still be able to serve each effectively. This astute observation has been made by students, teachers, and parents in the past.

When Bert was asked what he wanted to do the most, he replied, "I want to see New York."

Meike Kulk is from Rotterdam, Holland. Although the language barrier made our school system seem harder to her, she still felt that Holland's schools were rougher There, high school is run on a college schedule, not having an 8:30 - 3:30 day, but classes only when they are scheduled.

High schools in Holland are also different in the way that the courses are offered. Instead of choosing the subjects that you want to take, the person chooses the school that gives these subjects.

An interesting thing to note about Meike is the ways she thinks. She said that, when she is alone, she thinks in Dutch, but when she talks, she does it without translating ideas into her native tongue.

Mieke's interests lie in dramatics, sewing, and music especially the operetta. She was in the play "January Thaw" as her debut on the American stage. Her future interests are in the line of becoming a secretary, or possible work in an embassy with her talent in languages.

On arriving in this country Mieke had a little bit of trouble with automatic-eye doors, but she has caught onto the idea now.

On the subject of fashions, Mieke is like all other girls the world over. In Holland, girls wear the same kind of clothes as we do, but there are several minor differences. The girls wear high heels to school, and in the winter they are privileged enough to wear slacks to school. In Holland, the girls have never heard of Bermuda shorts.

Speaking of football, Mieke is like all other girls. She didn't know one end of the football field from the other when she saw her first game.

Mieke's fondest wish is to travel more in this country. She does not feel that she has seen enough of it.

We in Wooster give our best wishes to Mieke and Bert in all they ever do. It has been a most rewarding year for us to have them with us here in school. We only wish that the year had not gone so fast.

CHEERLEADERS

(continued from page 130)

If you wanted to name some students who have faithfully followed our Generals this year, these girls would most certainly head your list: Peggy Ellis, Sylvia Saunders, and Mimi Tissot, who are seniors, and juniors Bobbie Jo Mathis, Judy Bunn, and Ginny Cicconetti. These girls, with their adviser Miss Basnett, lead the cheers for the varsity teams during football and basketball.

Their efforts were quite successful, too, for the 10-0 football record and the 16-4 baketball finish attested to high school spirit.

The reserve and freshman cheerleaders also did their part to bring victories to our school and high morale to the players throughout the seasons.

1960 HOMECOMING

(continued from 150)

A great deal of work went into the 1960 Home-coming. Each club decorated a car for a parade through town followed by a pep rally and bonfire at Maurer Field the night before the game.

Mady Miller reigned as the 1960 Home-coming Queen on the nights of September 29 and 30. Rod Miller escorted her, and during the halftime at the game, she was crowned by the football co-captains Frank Hixon and Dennis Howman.

Senior attendants were Mary Ann Keil and Jo Ann Massaro. Dick Lichteberger escorted Mary Ann, and Rich Groop escorted Jo Ann. Junior attendants included Barb Bowman and Ginny Cicconetti. Barb was escorted by John Warner; Ginny was escorted by Mike Linn.

Before the clash between Berea and Wooster, the Queen and her court rode around the stadium on a float designed by the Student Council committee.

In one of the most thrilling games of the season, the Queen and her court saw Wooster defeat Berea 40 to 14.

At the dance following the game, Queen Mady Miller and her court were presented at the intermission. Following this, the Queen cut the annual Home-coming cake.

It was a Home-coming we'll never forget.

As one of an estimated 9 million students now enrolled in our high schools, you have learned many things — one of the most important is the thrill, the challenge, the rewards, and disappointments of good, honest competition.

This same spirited competition will be present in your future plans, whatever they may be, for competition is the keystone of our democracy, of American business and labor. For these coming years, may we wish you the success to realize your full potential — the ambition to achieve your goals — and the determination to overcome your disappointments.
